

AMTAB K-12 SYMPOSIUM

INCREASING STUDENT ENGAGEMENT
IN YOUR FOOD COURT - 3 CEUs

Full-Ride Scholarships Available: symposium@amtab.com

APRIL 9, 2025

PRESENTED BY

AmTab Facility – Bensenville, IL April 9, 2025

AmTab creates modern, popular, and fun K-12 Food Courts with our award-winning signage, graphics, decor, and furniture in schools across the country. Schools are constantly trying to figure out how to get more students participating during breakfast and lunch.

Learn how you can transform your cafeteria into a beautiful K-12 Food Court and earn three CEUs from school nutrition experts presenting at the symposium.

King Middle School

Before Modernizing with AmTab

159 students participating in breakfast
412 participating in lunch

- School Breakfast Participation increased **111%**
- School Lunch Participation increased **30%**

After Modernizing with AmTab

336 students participating in breakfast
536 students participating in lunch

Richard Andrews – Director of Nutrition Services
Saratoga Union School District

Being at AmTab was a great experience for me and my district. Seeing firsthand the process of making the furniture as well as seeing the printing machines for signage was great!

Jennifer Davis – Director of Nutrition Services
Kern High School District

AmTab makes you more aware of what you are getting, the different options as well as the quality of furniture.

FINANCIAL IMPACT

After modernizing, this school now receives an extra **\$19,800** each month in school meal reimbursements.

Session 1: Factory tour

One of **AmTab's** Education Partnership Managers will take you on a guided tour of our facility. Guests will be able to see first-hand American made furniture, signage, graphics, and decor that has transformed thousands of dining commons across the country into modern, popular and fun student spaces.

Session 2: Creating a winning school nutrition department with Joe Urban and Lauren Couchois

Learn from the school nutrition leaders at School Food Rocks on how they create a winning culture for their team and their students. We will dive into farm to school, school nutrition marketing, and importance of hospitality.

Session 3: Full Steam Ahead with AccuTemp Products

Have a blast with our interactive game and learn all about one of the most versatile pieces of equipment in your kitchen... the steamer!

Session 4: Learn how to design your space with AmTab®

Meet with our designers and see all that is possible in your K-12 Food Court. We will walk you through the process of designing your space. Signage, graphics, and decor play an integral role in creating a fun and exciting atmosphere for your students.

Session 5: Maximizing Savings & Compliance with Cooperative Purchasing

Learn how Equalis Group simplifies cooperative purchasing for K-12 nutrition programs, helping schools save time and money while staying fully compliant with public procurement guidelines. Discover how leveraging competitively solicited contracts can streamline your purchasing process and reinvest savings into your school's nutrition initiatives.
